KEYBENEFITS

- Quality rubber chippings direct from the manufacturer
- Highest grade rubber chippings with unrivalled quality
- Polyurethane coated - seals in the colour and offers long lasting fade, stain and weather resistant qualities (will not rub off or wash off)
- Free from unwanted contaminants
- Brightens up any garden and play area with a choice of rustic and vibrant colours
- Ideal for play areas, recreational areas, equestrian arenas, chicken runs and landscaping
- Helps to absorb the impact from falls and tumbles - reducing the risk of injury
- Frost resistant
- Provides excellent drainage
- Long lasting, trouble free ground cover and easy to maintain
- Suppresses weed growth
- Does not rot or decompose - (unlike wood mulch)
